“ I always enjoyed working with Florence at St. Gabriel's. She was one of the first people I met when I started and she was the person who trained me on the evening shift. She was also the one that I worked with most often. I remember her calmness in an emergency. I remember some of the stories she told of her childhood. She was so kind and caring and I remember well her very beautiful, precise handwriting. Sadly, I didn't get to see her much after she left there in 1988 but I always missed her. My sympathy to you and your family, Debbie. God's blessings and peace to you.
