“ *Seem's just like yesterday, when Freddie rolled the tractor he was driving by my parents home, every one teased us, that Freddie was showing off for the twins, and was flirting, ha ha. We sure were glad he was ok,. Smile Freddie I'm thinking of you.##imported-begin##Connie Rocheleau (O'Day)##imported-end##*

“ Hi Cousins,

I was just looking at the family reunion photos last week (from last year) and thinking about the Jorgenson's. You really filled up that hayrack with your beautiful family.

Fred, your first words to me were "do you remember me"? Of course I remembered you and you looked so debonair in your black jeans, black shirt and cowboy hat.

I used to love coming to stay at your house in the summer with Cathy. The thing I remember most about you Fred, is you seemed to know all the BAD words cause you sure liked to practice them on us!!

the memory becomes a treasure.*
