“ *My thoughts and prayers are with all of you. It has been a long time since I last saw Garth but I do have many fond memories from high school, including AFS. We were room mates for a short time in Minneapolis. Always keep that smile and humor, Garth would have wanted it that way.##imported-begin##Chad Boeddeker##imported-end##*

“ *Dear Mrs. DeNio, Greg, and Pam:*

I was shocked and very sorry to hear this week about Garth's death. He was one of the most life-filled people I ever knew. Whenever I think of him I smile because he never went long without laughing and had the gift of making any time with him fun for everyone. We had such good times in high school and Garth was always a pleasure to be with.

My thoughts are with you during this sad time.

Love,

“ Dear Mrs. D., Greg, and Pam:

I was shocked and very sad to hear that Garth had passed away. I remember him as someone so full of laughter and life. It is hard to imagine him gone. We all had so much fun together in high school. He really made any get-together special. I don't believe I ever saw him without a smile!

My prayers are with you all. I sense that he knew Jesus' love, and he is at peace. May you all find peace and comfort and the strength to make it through this very challenging time.

With love,

Mary##imported-begin##Mary (Girtz) Juber##imported-end##

“ Auntie Eleanor, Greg, Pam & Jay: You all have been in my thoughts and prayers. I want you to know I love you... Garth could not have had a more loving, nurturing and compassionate family to care for him and particularly, over these last years. He, Uncle Carroll, Uncle Harry, Uncle Rich and my Mom are together now... Oh, what a fun, joyous time they are having... No pain, no sadness, no challenges or struggles... I can hear those wonderful laughs... how glorious! There is a special place in Heaven for the caregivers! There is a special place for you. I love you and am thinking of you... sending a HUGE hug your way via email.
