“ I had the pleasure of taking care of your Mom for many years at Highland working in Memory care. She was one of my favorites and loved her very much. I am so sorry for your loss. I still remember when her and two other of the ladies would walk the hall holding hands with pure joy on their faces. Thank you for sharing her with me. Remember the time I got her to give her Mom a hug? Brought tears to my eyes. Prayers to all the family
