“ *our sympathy to the entire Stockman Family..George hired me for my first principalship (4 yrs at Royalton) I then finished 26 more years as the Deer River HS principal before retiring in 2004.George set the foundation that guided me and I was and still am grateful for his mentorship. Many times I'd ask myself? What would George do.. and I'd hear him saying, If it's good for KIDS , than do it... pretty good way to get things done.. George , your gone but not forgotten...##imported-begin##Jack and Cindy Gunderson##imported-end##*

Please know that you all are in my prayers! George was a good man and I have fond memories from when he was the Superintendent at RHS.
