“ I'm going to miss him so much, cause he was one of my neighbors in my apartment building at the Buckman Apartments Building. Sometimes when he came to Coborn's Grocery store to shop before I get off of work and when I get off of work him and I sometimes ride the tricap bus back home to our apartment building at the Buckman Apartments Building. Also when he and I get off the tricap bus I get the door for him and I to get into the apartment building. That's makes me feeling good inside of knowing he was great man that I got to know when I first moved into Little Falls, MN in 2021.

“ *This makes me really sad. Gerald always loved buying plants from me at all the floral shops I worked at. He always knew who I was and was always so kind. Rest in peace sweet guy.*
