“ *Hi!! I was just surfen' anorud for some facts about dog dancing in Austria (where I live), when I finally saw your shows from the crufts on youtube. My first thought: Amazing! My second thought: How to teach a dog something like this! I have a pug, her name is Mia and she actually just does something like twist, jumping over my arms, legs, into my arms, stuff like that. I think that a pug may cannot do some of these special tricks I saw now, wich are easier vor bigger dogs. In just a few minutes watching the videos and reading this website I became a great fan of you two! I really enjoyed watching your performance! Best wishes PS: I hope my English was okay (;###imported-begin##Chitta###imported-end##*

“ *Gert has been a big part of my life. I remember going to the farm as a child, with my parents. She came down to Grandma Wenrich's house, and it was such a treat to see her. I remember some of the special times, and will always remember. I miss you Gert.###imported-begin##Collette Fees###imported-end##*

“ Dear family of Gertrude,

Though I never had the pleasure of meeting her, she certainly gave birth to some great children - among which is my good friend and fellow dog rescuer, Eileen

May she now join her beloved husband and others she knew.##imported-begin##Bernice Friedman##imported-end##
