“ *What a blessing this summer was to spend time with Gordy when distance (states) usually keep us apart. I felt his love for life, love for those close to him and love for his sweets. Little did I know it would be our last time together.*

Being the big brother he liked to give his advice on everything and he was always right (or so he thought). It was his nature to give everyone a hard time, ignore it, deal with it or give it right back, you decide. Some would say he was a bit stubborn, but who am I to say, that's just a Doucette for ya!

Miss & 💕 U bro!

“ I know Dennis and I will miss Gordy's sense of humor. How he hated vegetable and made fun of me for eating them. He was the event planner for the campground. Some how he got the residents to clean up and rake and than got everyone to cook a meal and share. Kids and adults would just stop over and hang out with him on the deck. He was a super nice guy and we will miss him. Just a fun fun person. How lucky we were to have such a super neighbor. Sandi and Dennis Dickson

“ Lorence and I are so sad to hear of Gordy's passing. Too young. Our sympathy to the entire Doucette family. I liked seeing Gordy and visiting with him. Something I'll share is this. When our little boy Craigie knew Lorence was going to Doucette's Store, he would tap one finger on his other hand's palm and say, " Gordy candy." He wanted M & M's.
