“ Dear Uncle Bud: How blessed our family has been to have someone of your fine character in our lives for so many years. Always a smile, a great story, joke and bear hug! So special sharing my parents birth date "grandma's triplets"! After mom passed I remember you visiting with my brothers and I on the farm sitting on your trucks tailgate. It was one of the few times you spoke of your experiences when serving our country. Later we all enjoyed your visits to family gatherings on the lake. You are well loved uncle Bud. (((HUGS)))

“ It was a honor to know Harold and how he fought for his country.
Always enjoyed visiting with him as he was an interesting man and
loved to tell fish stories. I remember how he told me once he could
"smell" fish in the lake and knew where to fish. He will be missed.
