“ *Herb my son... I'll never forget when you and my daughter came and helped me when her brother got hurt. And we certainly laughed allot. We still crack up when we see the EH!!! guy from Facebook. I'm sorry I can't be there but know we still roll together in my mind. In a clean ride showing em old school still got game. My love and respect to you and your family. I'll do my best to look out for Alex and the boys. We all will. Miss you brother..*
