“ Marlene, We have some good memories filled with laughter and fun. I will cherish all of them. Auntie will be missed greatly. I am thankful and blessed to have had that last day. She is now playing cards with your your dad and my parents. There is no more pain. Oxygen, walkers and scooters no longer needed. They are Joking, laughing and having a grand time. Some day we will see them again and they will welcome us with open arms. For now we will think of them everyday and be thankful for the time we had with them.
Love you Cuz.
