

## Jacqueline Klosowski

April 7, 1931 - April 14, 2011

Jacqueline Mary Schwartz was born April 7, 1931 in St. Cloud, the daughter of the late Ray Schwartz and Violet Karels. She grew up in St. Cloud, attending Holy Angels primary school and Cathedral High School, graduating with the class of 1949. She then graduated from the St. Gabriel's School of Nursing in Little Falls. Jacqueline spent the next 40 years as a R.N. at Mount Sinai in Minneapolis, St. Gabriel's Hospital, and the Lutheran Senior Citizens Nursing Home in Little Falls. She was united in marriage to Melvin Klosowski on September 15, 1956 in St. Cloud. The couple made their home in Little Falls, raising two sons, Thomas and Kenneth. Jacqueline was devoted hopelessly to nursing, enjoyed sewing, "swooned" over Frank Sinatra, and worshipped her yellow lab Cleo. Yet above all, she treasured her "angel," grandson Joseph. Her family will remember her as a quiet matriarch, seldom heard from, but always in charge. She will also be known for her willingness, however reluctantly, to be a companion on many questionable hunting, fishing, and camping adventures. She is survived by her husband Melvin, sons Tom (Mary) and Ken, grandson Joe, dog Cleo, sister Patricia, and brother Kenneth. Jacqueline was preceded in death by her parents and her younger brother Freddy.

"I'll be seeing you, in all the old familiar places..."
