“ *Thanks to Craig Pross for letting us know.*

*Jim was a smart, out going and physical guy.*

*It is hard to imagine when we are young what life has in store for us.*

*I think back on the classes, the sports and the social times with Jim, he was always bigger than the room he was in.*

*My thoughts go out to Jim's family and the families of all our classmates who are enduring the trials of aging.*

“ *My prayers and most sincere condolences to the Family and Friends of Jim Huber. I attended school with Jim when he went to Holy Family School in Mason City, IA. Jim and I sometimes walked to or from school when my Family lived on North President Ave in the '50s. I offer the following in honor of Jim and the hope that it may offer some bit of solace to the Family...*

*A Prayer... (By Michael M Kelly Sr)*

*Too much pain, too much sorrow. Praying, Dear God, for a better tomorrow...*

*We the ones who are left behind, ask Dear Lord that You be kind...*

*And grant to those that You've taken above, the gift of Your unrelenting Love...##imported-begin##Michael M Kelly*
