I picked the green candle because it reminded me of the "green frog" or the "green Turtles" that we would have to stop for on the road so we never would run them over on the way to the "horseshoe Ballroom", Jimmy will be forever in my heart he was full of LOVE, full of life, full of caring spirit, Always had a smile on his face, (her really was never a good driver but we could always count on getting where we needed to go in the Old panel Station wagon) my Family will be Praying for the Loxterkamp family as they grieve the loss of this spectacular Brother, God grant you all peace in knowing that he is in a safe place next to God your mama and dad who I am sure were standing there with open arms. I would anticipate there is a HOT game of Huckley buck going on upstairs as we are all left here to grieve.

“ I have so many great memories of Jimmy from the time he carved out a giant pumpkin and actually wore it on his head for Halloween to our trip to the zoo that ended with us at a gay bar in downtown Mpls and then spending my 19th birthday in the ER getting a cast on. There was never a dull moment when he was around. Jimmy was the gentlest soul I've ever know. Rest in Peace.

“ So very sorry for this loss to the Loxterkamp family. Any time I would see him, he was always smiling, and bubbly, and very kind. Always very nice to me. Even though I didn't see him all that much, his presence made a long lasting impression on me, and I will never forget him. Peace to you Jimmy. Thank you, Toni (Workman) Stanley
