“ Jim, we spent a lot of time together growing up. From playing football by the church to helping out with work on the farm, you were always a great friend with a big heart. I enjoyed visiting with you and your family whenever you stopped by throughout the years. Your wife and children endured hours of our reminiscing about “the good old days” out here in North Prairie. You have a great sense of humor and you will truly be missed. My sympathy goes out to your family and loved one’s.

“ Jimmy. This is your nephew. I just wanted to ask, how’s grandma and grandpa up in Heaven? First thing grandma asked you for those “Pack of Weeds!” I miss that you made me laugh so hard I nearly cried. No I am crying and heart heavy of your passing. You and both know we both lived a rough life of hurt and pain. Now you fought it and now you are now enjoying life up with god and your parents. I miss those days of playing model trains in the back room if the old house in North Prairie. I just wanted to let you know I am so proud of what you accomplished throughout your life. You were a great father, I am sure your daughter and son would both agree. I was so pleased that you were proud of me being an EMT and firefighter and a trucker, being I have a disability. No disability will stop a McCall for sure. I am so proud that your daughter is also becoming an EMT. Your sister and I talked last night and she and laughed and cried for hours. Celebrating your life. Remember sticks and stones may break our bones. But words, just words will never harm us. Somebody we will meet again and we will laugh and have good times again. Rest In Peace Jimmy. I love ya man!
