

James M. Nuttbrock

July 16, 1961 - April 6, 2023

James M. Nuttbrock, 61 year old resident of Pierz, MN, formerly of Brainerd, MN, passed away on Thursday, April 6, 2023 at St. Gabriel's Hospital in Little Falls, MN. Caring for James and his family is Shelley Funeral Chapel in Little Falls.

James Michael Nuttbrock was born on July 16, 1961 in Tacoma, WA to the late Roger Dale and Geraldine Nuttbrock. James left high school (he later got his GED) and enlisted in the US Navy where he learned to operate cranes as well as other machinery. James was united in marriage to Jessica Pint in July of 1988 in Montana where they settled until moving to Little Falls, MN in 1996. He worked for Burlington Northern Railroad for many years until an injury prevented him from working. James was a handyman who learned to weld and work on electrical tasks, and used those skills to help out family and friends on many projects. He enjoyed being outside and working around the yard. James was very spiritual and had this highlighted in his well worn Bible; The word of the LORD came to me, saying. "I knew you before you were formed within your mother's womb, before you were born I sanctified you and appointed you as my spokesman to the world." James lived up to those words.

James will be dearly missed by his wife, Jessica Lynn Nuttbrock and several brothers and sisters.

He was preceded in death by his parents, Roger and Geraldine Nuttbrock; first wife, Becky Nuttbrock; children, Wayne Nuttbrock, Darlene Marie Nuttbrock, James Nuttbrock, Jr., and Victoria Lynn Nuttbrock; and twin brother, Roger Lee Nuttbrock.
