“ *It's been a number of years since this sunshine walked into my office in the historic courthouse, she was such a bright spark helping with the Campfire boys and girls. I have a 3 ring binder that she made for me to keep memories in and she taught a class to the kids who wanted to try their hand at personalizing a scrapbook cover. I've thought of her often through the years. My condolences to the family that she spoke so proudly of.*
