“ *I will sadly miss my Twin Friend.*
When we run into each other I always called Jason my Twin and we always laughed about it and talked a little bit.
This is the story how we became twins. We both were at the Westside and we were talking after that Jason left and we both ended up in the Morrison County Jail for our DUI's.
Jason was picked up first. Then I was hauled in. So when it was my turn
to blow in the machine I

So after all of that they had picture of Jaso and I mugg shots and asked me to pick my pictue out and they had Jason's next to me so I laughed and said Jason wasn't wearing glasses and I did. Just because we had our hair styled almost the same and the color at the time. So this is how it started of my Twin friend we always had to laugh about what they did to me because how we had our hair and pretty close to the same color. I still have to laugh about it.
R.I.P. Jason you will be sadly missed. The Dickmann Family
You have my deepest deepest Sympathy.
