“ Jason was a friend to me when no one else was, and a brother when my own weren't . I will always love you bro. My heart go's out to you Judy, and your whole family.

Jason was a very special guy, met him 18 months ago, was so kind hearted and willing to help anyone he could. I was shocked when I heard of his passing. Please know that he touched many of our hearts in the short time we knew him. Lola Austin
