“ My thoughts are with Lynette, Mark, LuAnn, LaVonne, Linda and their families today. Jeanette was a lovely lady, who welcomed me into her home and family as Lynette's friend. She was so stylish, warm and funny, and a gracious person. She made me miss my own mother a little less on those occasions I had the chance to spend time with her.

“ I have such great memories of 4 friends I don't know where to start. But watching a friendship like Jeanette, Elaine, Norma and Trudy lasted longer than we will know, showed me how important those life time friends really are. I miss hearing their laughter and great stories. I especially miss their bridge games. My hope is that they are united again and are enjoying another game that they all loved so much. My deepest sympathies on the loss of your mother, may you find comfort in your memories.

Jeanette and Dominic came to California to visit their cousins on the West coast for nearly 20 years. They were at our weddings and were such special folks. Jeanette was a dear woman who became my Minnesota buddy for decades. You folks had a great Mom and I pray for you in your time of loss.
