“ *Jeanie was more than just a Friend to me. She was Family. I have so many memories with her. I will share one- Many years ago, on a Saturday morning in Little Falls, I hear a knock on my door & Jeanie is standing there with a cast iron skillet, bacon & eggs with little James & Amber beside her. She made me breakfast while James & Amber crawled in bed with me to watch cartoons. This woman never ceased to amaze me. She made me smile in my hardest of times. To the woman who I am so glad to have known- I will always hold you close to my heart. Thank you for allowing me to be a part of your life and your children's. I will always Love You, James and Amber. Miss you already.*

Much Love Always & Forever- Cindi

“ *What a woman! Jeanie loved her family and her country. I'm grateful for being able to get to know her and will truly miss our heart to heart conversations. Brainerd 4th of July fireworks will never be the same, without her & Frank. May we all find peace and comfort in our fondest memories.*

Please accept my deepest condolences during this most difficult time.
