“ *Dear Betty & Family.*
I can't begin to tell you how sorry I am to learn of Jerrys death. He was a very special man in many ways. There is not a day that goes by that I don't look out my side window and think of Lillian and all the boys. A very special family. I was so looking forward to perhaps seeing you this this coming summer. I will always remember Jerry and all his kindness. You and your family are in my prayers.

“ Hi Betty,

I was sorry to hear about Jerry's passing from Bob and Ada Hellyer. We so enjoyed working with you and Jerry while in the Grain Storage project with Peace Corps in Benin, West Africa back in the mid-70s. That time was the highlight of my life and pointed me towards all that has happened since in my life that has been so wonderful. “ Dear Betty,
I extend my heartfelt sympathy to you and your lovely family. I often walk through the hospital to get to the credit union. I would see Jerry's smiling face at the reception desk and my day would be made brighter. His gentle presence would somehow lighten my load. I viewed the video. So handsome!
I can see why you fell in love. His smile remained the same all these years.##imported-begin##Linda Venske Mueller##imported-end##
