“ Jim you will be missed. You were an great inspiration to friends and family. We know that you are in a great place, resting in peace. Luke 23:43 "I tell you the truth, today you will be with me in paradise."

“ If I could say anything to my uncle I would tell him how big of an inspiration he was.. he was the hardest working person I've ever known in my life.I guess at least he died doing what he loved to do.I know I'll see him some day waking those streets of gold. I thank God that I got to see him before he left us and I know by our last conversation that he is in a better place. Gods timing is perfect and I won't question that, although I miss him I know I'll see him again someday. Rip Jim klous love you uncle
