“ *I met JoAnn 13 years ago when she was looking for a German Shepherd puppy. She decided on a Sheltie instead, but we remained friends and visited often at dog shows. I was sorry to see her move away but glad she could live her dream. She will be missed.##imported-begin##Julie Swinland##imported-end##*

“ *Joann loved her dogs. They were her family, and anyone with a GSD was a member of her extended family. She was very loyal to her friends. We had many a fine daytrip together looking for farms, or the occasional log cabin before she found her place in the sun in Pierz.##imported-begin##Linn Klingel##imported-end##*

“ I have many memories of JoAnn as our director at Wilder playground,it was the mid 60's and she was young but did a great job.JoAnn would pitch right in to any task at Wilder to include coaching us young boys in baseball and other sports,I think I recall her even flooding the ice rinks with us occasionally,what a good sport.God bless you JoAnn and may you rest in peace.##imported-begin##glenn hanson##imported-end##
