“ *I have so many childhood memories with uncle Joe. He was also my bus driver for all of my elementary years. He was truly one of a kind. Always a cup of coffee near by.*

“ JoAnn, and family:

I only met your parents once. I went up and bought a grass clipping catcher from them.

He was really proud of you when we talked about you. He was very nice and friendly gentleman. he seemed like he would have been a great dad!

I could tell that he and your mom loved each other and enjoyed being together.

You were blessed to have him and I'm sorry that you lost him so early. Hugs and prayers. If you ever need to talk, I lost my dad about 10 years ago. It was too soon! It's always too soon.
