“ *My several brief conversations with Joelle always left with me with the impression that she was a very kind, thoughtful and spiritually strong lady! I'm sorrowed for all the people who loved her and are now without her for the time being.*

“ *My thoughts and prayers are with your family. Joelle was such a caring person. She'll be missed by many. When my husband was incapable of sitting and standing on his own, she just got on one side of him to help us out when we attended mass. I will never forget her kindness.*
