Military Police Corps Regimental Prayer

By Chaplain Michael Yarman

Heavenly Father - We approach You today because You have called us to be a people of prayer. We praise You because You are our Creator, our Redeemer and our Provider.

We acknowledge our great need for You as we fulfill our mission as soldiers. We have been called to serve our nation as Military Police and we are proud of the honored heritage of the Regiment and our motto: Of the Troops and For the Troops. Whether we are fighting an enemy, securing an area, patrolling the streets, or helping someone in distress, help us, O Lord, to always be men and women of integrity who can be counted on to do the right thing. Give us the strength to stand for what is right and to oppose those who would do harm to our nation and the people we serve. May we always be truthful in Word, Deed and Signature, and bring honor through our service to the memory of those in the Regiment who gave the supreme sacrifice for their country. Guide us now, Father, by giving us wisdom and knowledge from on high, that as Military Police we will always be prepared to "Assist, Protect and Defend."
