He was always up for a good time and was known to tell stories. John was always willing to help anybody who needed his help. He was a good man but was a broken man that battled with many struggles and was no longer able to cope. John was

“ John had lots of stories and experienced a lot in his short life. John will always be a living legend. All JOHN wanted was to be loved, feel special and be accepted for who he was. He was like a younger brother to me. I am very proud to call him my friend. He will be missed by many, we all have lots of fond memories and stories thanks to John. Rest in peace, Michelle Kolb

“ Heartbroken to hear of John's passing. I always thought of him as a lumberjack of sorts. Hardworking man, with giant hands! A kind soul, who would take great pride in building and igniting the very best bonfires~ Gone too soon... Godspeed, John!
