“ *To John's family,  
We are sorry for your loss. John had many talents. I remember his smile and laugh and the many visits that he and Gladys made to the farm as I was growing up. Occasionally he would give me a quarter. We would visit them at their Circle Pines home in August of many years and go to the Minnesota State Fair together. Later they moved to Erskine & we visited there several times and enjoyed staying with them. John also worked for my husband for a period of time. He worked along with my father-in-law in making acrylic sign holders & some building maintenance. We did visit him at his home in the Twin Cities. We are saddened to hear of his passing. We wish we could have attended the funeral, but did not hear of it until it was over.##imported-begin##Cindy Scherbing##imported-end##*

“ *John and family,*

*We are saddened to hear of the loss of your father. Losing your parent is difficult. We are away from LF and are unable to be there. Please know that our thoughts and prayers are with you. In Hawaii there is a phrase "Aloha e hui hou" (Goodbye, until we meet again). We pass this on to your father.##imported-begin##Ray & Dianna Schulte##imported-end##*
