“ Bunky, you will be greatly missed. I remember back around 1980 when she and Donald invited Mary and I over for supper. (those days farmers called the meals, breakfast, dinner, and supper. lunch was a sandwich or snack served around 3 PM) . Anyway, Bunky was making supper and put way to much salt in the soup. She was very upset. Donald sat calmly, and said,(take some out). Jonetta Said, Donald, you can't take salt out of soup!. After about the 3rd time of Donald telling her to take some salt out, she said,(Donald, how am I going to take salt out of the soup?). Donald calmly said, (make a bigger batch!) I think she even had to laugh. She would have ended up with 100 gallons of soup to use all that salt!!

“ I remember the summer visits to the farm and the fun we three had with our Alden cousins. I hold tightly to those memories and keep my cousins close to my heart. It brings me such sadness that Jonetta has passed. I know that she is in amazing company right now.
Much love to Don and family during this heartbreaking time.
