“ Grandpa Bebe, you were a very strong and caring Grandfather who helped get me through some very difficult times by lending your ears and time (even if it was long distance). And I want to especially thank you again for helping me with the loss of brother Jason when there was nobody else I could turn to. Because of you, a young boy and his mother rests together in peace and now they have you dear to them. I also take this moment to speak on behalf of brother Steve who was unable to make your service but asked that I convey his love and deepest respect to you. I believe that it was always your hope as a Grandfather that things will finally turn for the better with some of the challenges that Steve has been facing. It is these things and many more that made you a caring and loving Grandfather and for that I love you and will miss you.##imported-begin##Stephanie##imported-end##
