Hello Kathy.. A late reply here.. "Thank you" for writing the sweet note on mom.. & dad as well. They both spoke very highly of you Kathy, & bringing them to the appointments were always guaranteed smiles for all of us. Unfortunately, mom's life sure went to pieces after dad passed away. It was so sad for her in so many ways. I try to think of mom & dad being together now & living the good life once again as they did in the much earlier times of their lives, when things were easier & uncomplicated so to speak. I'm sorry that I didn't see your comment earlier to reply. Take good care & again, many thanks kathy.
