“ *I first met Julie alone ages ago and didn't know who she was in the parking area of where my brother had an apartment next door and didn't know who she was but she was feisty and tenacious off right away and I could tell she had a good soul. Since further knowing her, she would do anything for anyone, even unclogging my sink with no hesitation. My best memory was all the laughs we all shared late into the night at a summer party at her daughter/son-in-laws. The world will be missing something without her ferousous and indignant soul.*
