“ Hi Mom,

I miss you every day. I think about all the expressions you used to quote. I remember them all! And I knew I had grown up when I realized everything you told was true!! I am sorry we won't be spending our summer together. Maybe our blessing is that your children will grow closer.

Love, Lynette##imported-begin##Lynette Smith##imported-end##

“ I just wanted to let you all know how saddened I was to hear of your Moms death. She was one of those people who I thought would always be around. She was such a big part of my growing up years and I have so many memories of your whole family. Please know that my thoughts and prayers are with you during this time.##imported-begin##Lynn (Hoheisel) Thielbar##imported-end##
