“ Justin was a really great friend to be around. He was a class mate at the little falls community High school and one of the 2012 graduate students. I really haven't gotten to know him that much but it would of been nice to. May you Rest in peace Justin.

“ Justin always had a grin on his face that always made a person smile. I remeber justin as a family friend . He was the only boy that my dad allowed at the house full of girls. He was pretty popular with them . He and the girls would play yard games and play crazy card games. Dad always said he was such a good kid and he was too. I enjoyed justins good sence of humor when i joked around about the girls and if he was going to take them on a date.lol:) he always told me they all are so pretty i just cant choose and then he would blush.. rest in peace buddy. You and ginger are probably having fun playing ball up there just like you guys use to do in the back yard. Justin loved our dog ginger. They are both in heaven know playing together. Rest in peace. Budd.

“ I remember justin as a family friend. He was the only boy in the neighborhood that my dad trusted to hang out with all of the girls in my family. He had a good sence of humor when we had our little chats when he came over to my dads house. He sure was popular with the girls at the house.

“ I moved to Little Falls for a teaching position in August 2009 and I didn't know a soul in this town. One afternoon, about 3 days after moving here, my son and I were out shooting baskets in our driveway when up walked this young man who started chatting away. He asked me who I was, where I was from...all kinds of questions and all asked with genuine interest and care for who I was. That young man was Justin....I had the great pleasure of getting to know Justin over the next few years and each and every time I saw him he brightened my day and the days of all those he crossed paths with. He was a great guy and will be greatly missed....

Sincerely,

“ I never met Justin's family, but I would often take my 4 young children to play at St. Mary's playground in the summer and Justin would be there. He was a middle school aged boy at the time. He greeted us and was so sweet to me and my children. His reach of kindness was much larger than his family could even know. He was a blessing. Peace to you and comfort in this time of saying farewell. His memory will live on, as will his kind heart.

“ *Whenever I saw Justin in the hall, he was always wearing a smile. I don't think he ever neglected to greet me when we saw each other in the hallway. He was definitely one of the kindest people I have ever met and I will miss him incredibly. But, it makes it better knowing that he will be up there with God now!*

“ Justin's Family,

I went to Steps with Justin this year until Oct. 2013 when I graduated. Justin was a wonderful, caring and heartwarming guy! He always had a smile on his face and his laughter was always very contagious! He loved biking around town with his friends as I often saw him hanging out and having a good time! Know Justin is in a wonderful place...he was welcomed by the loving arms of Jesus! Take Care and God Bless!
