“ My heart goes out to all that have lost Karla. She always had a beautiful soul. Someone that always saw the light in every situation, and had a laugh or even a better story to back it up. In all the time I have known her, she was able to make light of every situation, and everyone left better off. She was the one to make sure of that. Even when she was upset, she found time to laugh it off. I hold her memory dearly in my heart, and I pray for the family mourning such a beautiful soul. Rest In Peace. You are loved by many.
