“ *I've never met Kasey but once after she passed away, however she'll always remain in my heart and thoughts forever. I wish I could have met her in life, instead of in the road. I wish I could have had a memory with her, to know her personality and laughter. Finding Kasey lying there is something that will always be in my dreams. For the family know that you're always in my thoughts and prayers.##imported-begin##Anonymous##imported-end##*

“ *I miss the petite bundle of a baby girl. I miss the mischevious, jumping on the bed toddler, the very fashion conscious adolescent. I miss the beautiful young lady with the warm smile that will be missed by so many....a smile that lit up the room....a smile that brought sunshine....a smile that we see now in our hearts and will forever remember....We love you, Kasey##imported-begin##Auntie Michelle and Uncle Brian##imported-end##*

“ *You don't know me and I never met your beautiful daughter Kasey but I want to tell you that I understand your loss. My son was killed in a motorcycle accident at the age of 20 and it is the most difficult thing I have ever gone through and continue to go through.
