“ May God and His Angels hold you Aunt Katie in their brilliant Light, and let that Light and Love shine to all who loved her and will miss her so dearly. You were the best Aunt Katie, and I cherish the times we shared. God Bless all of your family who had the honor and privilege of spending the days of their lives close to you, and grant them the peace of knowing that we never die, we merely go back to our lives as Spirits in Heaven awaiting the rest of us. I hope she and my Dad, who both adored a good game of cards, now share some of those good times.##imported-begin##Marjorie Berger##imported-end##

“ Aunt Katie touched so many lives! She was full of laughter, and always ready to help any family member in need An angel came and called her name, and took her by the hand. She said her place was ready, in Heaven far above. So everytime time you think of her, she's right there in your heart!##imported-begin##Ray and Shirley Kudrna##imported-end##

“ Aunt Katie was a very special person to so many - us included. Words cannot describe how much she meant to us. It has been said that too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring; all of which have the potential to turn a life around. People come into our lives for a reason, a season, or a lifetime. To us, Aunt Katie was all of these. We loved her so and will dearly miss her.

“ God Bless you Grandma. Words can't describe what you mean to me. All those trips to Dakota, card games, scrabble games, cooking schupnoodla, and laughing mean the world to me. I will cherish those memories and share them with my children. I see your spirit everyday when I look at my daughter Cathryn and am honored to have her share your name. May God bless her with your love of life and family. God bless you and enjoy spending eternity with Grandpa, I know he is happy to see you.##imported-begin##Tina Lemi##imported-end##
