“ I worked with Kathy at Capital One, and from the first day I met her knew I was going to love her. Whenever she would call, I would know within the first 2 seconds who it was. She always made me laugh, and was never afraid to state her opinion. She will be missed so much!

“ Carter ❤️ I met you 43 years ago when we moved to Cotton. You were one of the first friends I met in Cotton when you walked in to the Wilburt and introduced yourself. Not long after that we were always together two 15 year olds you driving us around in the backroads in Dana's white Cadillac with Baby Darc and some Miller shorties 😊 we were always up for a party at the Whiteface pit! I miss those simpler times and I am going to miss you my old friend ❤️❤️ and 🕊️ You Country Picker! —Julie 1980 'We are the Champions'!

“ Kathy was always someone you could count on for a good laugh or to brighten your day. She was a genuine, caring, down to earth, giving lady. Kathy would do whatever she could for someone and put others needs before hers. She was one of a kind, and grateful that I had the opportunity to know her. Fly high Kathy, and your memories will live on with your children,
