“*Kate was truly unique, a one of a kind. She was an independent thinker, but she always welcomed the "other side" of the story. Her laugh was recognizable, instantly. Her smile beamed her warmth.*

She gave haircuts, as well as, youth hockey advice, to my kids and me, during our early family years. She loved all living things, and thus, we will miss her, in ours, but only until such time when Steve, Cody, Tony, and the scores of her friends and family, are able to once again, reunite with her on the other side.

Rest in Peace Katie, you will be missed, but not forgotten. spike ;)

“ Words cannot express our sorrow. Auntie Kate is, and always will be, the most important person I've ever known. I was a really, really lucky kid. She was everything to me growing up, and she was always there as I grew older; she was a sister, a confidant, a friend, a mentor, and a champion. She was my rock and will forever be my most favorite person I will ever know. To my boys, Cody and Tony, and my girl, Sam: You know we love you more than life and will do anything and everything (move mountains and drain streams) for you. We will always be right here for you. And to my Uncle Steve, "We love you so bad!" You know how important you are to Ian and me. You know that you are our most favorite person in the world. You know we are here for you for always and forever. We will continue to strive to be...just like she wanted us to be. We are the most fortunate people on Earth, because we were able to love that amazing girl.
