“ Dear Gerry, Linda, Tina, Julie and Steve and your families.
I just can't express how sad I am about Kathy's passing. She was the best sis-in-law I could have asked for. We had so many "GOOD" times together and also some sad times. But no matter what, we were always close and we were good friends. I will really miss her, especially at family get - togethers when we could have a beer together and talk about our kids and grandkids!! You all know how much I loved her and how much I love all of you. Please stay close to each other and also to me.

Love and Prayers,

Aunt MAry##imported-begin##Mary Litke##imported-end##

“ Gerry - Wanted to send a note to thank you for your hospitality and friendship during those special moments back in the 60's. Good times. I'd bet that Kathy is now kicking some ass among the angels, knowing that we could all use some help down here. “ Edmund, Tommy and family -
I was fortunate to have been able to spend some time with Kathy, although that was many years ago. Playing on the farm, and later doubling with Kathy and Gerry, provided indelible memories. She brought joy into my life, and she will always be in my thoughts and my heart. My best wishes to all. With love,
