“ Kelsey, Bob, Dan and Family you have my sympathy. Kathy touched so many lives. She was taken from all of us way to early. She is needed somewhere else for whatever reason we do not know. I hope that she knows how much happiness she has brought to our lives. I know that she always made me laugh. We would call each other "Melon". She will always be my friend that I call Melon. I was glad that I made it out to see her and Bob a couple weeks ago. We had a lot of catching up to do. Bob and my husband use to watch wrestling together and Kathy and I would bs the hours away. She was such a special person to me. I know she has been battling this for a long time and now she can finally rest and is not suffering. You all are in my thoughts and prayers.

Donna

Ps Melon I know someday we will meet again until then watch over all of us here. Lots of hugs.
