“ *I really loved my Aunt Kitty, she was a very special and unique person. She made me laugh. Will miss her and her dry humor. I had an opportunity to work close to Kitty at Honeywell in Golden Valley for a short time. It was great to spend time with her. Will miss her. She always called me Linda Lou. So Kitty I will miss you, Love Linda Lou###imported-begin##Linda J Sanderson###imported-end##*

“ I worked with Kitty at Honeywell for 7 years in the 60's. We were on a bowling team together and she was always such fun. Somehow we have kept in touch all these years. I moved to Washington State in 1981. She had such great spirit. I know she will be missed and I send my condolences to you all.##imported-begin##jane furber becker##imported-end##
