At the time of his death, he was a member of Faith Lutheran Church in Little Falls. He was looking forward to being with His Lord Jesus Christ. Kelly worked at Pueringer Multifoods as a truck Mechanic

for nine years. He then went to work at Road Equipment Parts Center/Fleetpride in Brainerd and worked there until no longer able, due to his health. Kelly loved to work with his hands and in his garage. He built a model farm and a model airplane for his children when they were small, and taught Morgan how to use his woodworking tools. He worked on all the family and relatives' cars. He restored several John Deere tractors. He shared his technical wisdom even after he was no longer able to leave his chair.

“ We just learned of Kelly’s passing today (Sunday). I am heart broken to have missed the funeral. Definitely would have been there because of our love for this family and to honor Kelly.

We love you, Pam. And we loved and respected Kelly. We would be hard pressed to find a better man. I have to almost laugh — this man who had such a passion for creationism last week came face to face with the CREATOR!!! Now, that would have been special to witness!

Pam you guys did it. Raised your family, served the Lord throughout your marriage, glowed with the Light of Christ Everywhere you went

So during the hard days ahead just remember you’ve done a great job. Kelly ran the race; and Pam, you were there all the way

Much love

“ I worked with Kelly during his Pueringer days and this is my favorite memory of Kelly: It was one cold January night (-43) and I was tasked with backing in the trailers to be loaded. Well, It was so cold that nothing, but nothing worked the way it was supposed to. Kelly helped me each and every time get the equipment going with nary a complaint or sight. He was my guardian angel that night, now he will be someone else's.
