“ Tim.

*I am so sorry to hear about the loss of your father. I know all too well your pain and emptiness today. I am out of the State this week but please know that I am beside myself knowing that I will be unable to attend the service tomorrow. While I did not know the father, I do know the son .... so very well. The true measure of a man is in his ability to raise his children and care for his family. The goodness, strength, and personal commitment I see in you is a direct reflection of the man he was and the father you will always remember. It is through the son that we can see the true strength of your fathers. I know that today the world lost a truly a great man, a great father, and a great American. I (we) are all humbled by his accomplishments, his life, and his generation. If we could only strive to be our fathers' equals, what a truly great nation would spring fourth in their shadows. Take more time to be with your family.*

“ Dear Grandpa Kenny,

*I would just like to take a minute to let you know how much you truly meant to me. You were a fantastic grandpa. Not only to me, but to all the million other grand babies and great grand babies. A guy who was always quick with a joke and always had a comment at grandma Bev just to get a reaction out of her, (but deep down, I know she liked it.) Because of you, I made the decision to enlist in the United States Navy. Best decision I've ever made. I've been to the other side of the world and I also met my husband. Because of you, I'm sure McDonald's stocks will start to drop. And because of you, I'm sure all of Little Falls knows I am still waiting on my cow to be delivered! My dog, Luna wouldn't stop eating grass the other day so I guess you could say that I finally got my cow grandpa. But the fact remains that you are and always will be my grandpa. I am going to miss you terribly, so don't go giving Saint Peter too much of a hard time because I hope to see you again one day. Until then, find a fishing rod and a hot cup of coffee. You're home.*
