“ I am so sad to learn of Kevin’s death. My sympathies to his siblings and their families. Kevin became friends with George in the early ‘70s. Kevin spent countless hours in our shop working on his many vintage sleds. He shared his knowledge with my son Ben and had him racing those sleds at quite a young age! He also worked on many other projects and was happy to share his talents with the kids or help them with whatever they might be working on. We have shared many good times through the years. Kevin was also there for my family through both the loss of our son Ben and then two years ago when his friend of 40+ years, George died. You have truly been a great friend Kevin! May you Rest In Peace. We will miss you. Anne Rush (Kathryn & Ellie too)

“ Kevin and I grew up together from 5th grade on we were great friends every day snowmobiling and riding in the bluffs. Nobody was more fun and more daring (except me) riding on the back. Always wondered what happened to you after high school you definitely passed to soon. Randy

“ Through the years our lives moved us in different directions which made us lose our close friendship. I thought about you and your family often and the fun times we had together. We had many adventures growing up, it wasn't "Fast Times at Ridgemont High", but we sure had fun. You will always be a part of my life and in my heart. Still love you like a brother, until we meet again. "Rest in Peace My Friend"

So saddened to hear this. Scrubby said it right, Kevin will always be a part of my life and in my heart; he was a good friend while we were growing up. I had always hoped to run into Kevin while visiting Little Falls and regretfully it didn't happen.
