“ *I hope uncle Kevin knows how much I appreciated hunting on his land with the other uncles & cousins. It was a great week with many fond memories. When I was little I remember uncle Kevin as a man of few words who even seemed a little "gruff" due to his quietness, but I always knew that it wasn't the case and that he was a genuinely good & caring man. I'm glad he got to meet stacia & wylie a couple Decembers ago. Love & miss you Kevin!-----your nephew craig*

“ I picked up our Morrison CTY recored last night and was shocked by the news of his passing. Kevin was a good man, and was a very good soul of a being. He would always stop by with his dogs, and say hi. Through the years that I have known him we would chit-chat about many different things that life had to offer. He was a good and honest man. and I will miss him. - Bruce Lindgren
