

Khristine Sundvahl

April 12, 1950 - December 19, 2025

Khristine Sundvahl, 75 year old resident of Little Falls, MN passed away Friday, December 19, 2025 at Highland Senior Living in Little Falls, MN. Her wishes were that no funeral service to be held. Caring for Khristine and her family is the LeMieur Funeral Home in Little Falls, MN.

Khristine Kessell was born on April 12, 1950, in Alta Dena, California, to the late Victor and Bernita Kessell.

Khristine graduated from high school in Montclair, California, in 1968. She was united in marriage to Hal Sundvahl in 1973. While living in Peggs, Oklahoma, Khristine and Hal raised beef cattle. They later moved to Minnesota, where they became spud farmers and owners of Royal Farms in Royalton, Minnesota. Over the years, Khristine held many roles she truly enjoyed. She managed offices for Lora B's and Habitat for Humanity, was part owner of Blue Port Restaurant on Lake Alexander, and worked in various capacities including caregiving, fundraising, floral decorating for events, food service, and many other odd jobs. Her strong work ethic and willingness to help wherever needed were well known. Khristine eventually retired to her home on Fishtrap Lake, where she enjoyed spending time with her grandchildren, gardening, traveling, and interior decorating. The full impact Khristine had on the lives of others may never be known. She was always willing to do anything for anyone, often helping quietly without seeking recognition or praise. She taught those around her to treat others as they would want to be treated and

to always help those less fortunate. Khristine was well known in her community for her generosity, hard work, and kindness. If you had the honor of knowing her, please carry forward what she taught by passing that kindness on to others. She will be dearly missed by many and never forgotten.

She is survived by her children, Stefnie Sundvahl, Jason Sundvahl, Quinten Sundvahl, and Amanda Craft; 11 grandchildren; her sister, Karen Bonillas; and her beloved cat, Lucy.

“ Sending condolences to khris’s family. at the same time, I’m really glad to hear how her life rolled out after knowing her in K-12 years. She sounds like an amazing light among those she lived with and her large family. I’m happy to hear she’s had such a full and loving life. It’s nice to see her sister Karen’s name here too. I think of them fondly and will continue to do so. May she rest in peace, Phyllis
