My Uncle Larry, was a great man, and his shoes will definitely be hard to fill. All of us kids will be lost without him. He was like a second father to me and my sister Frances and he was always there when any of us kids needed him. He was there for me growing up and in my adult life with open arms and never passed judgment when my life was in a spiral, but Instead had words of wisdom and great advice on life and spirituality. He taught all of us kids about our traditions and always tried to talk sense into us kids when we were being numbskulls. I will never forget the words he spoke while my Antee Wussey was sick and close to the end of her life, he told the older grandchildren "If Grandma goes, I won't be too far behind, because she is the love of my life" ❤️😭 So I know my Uncle is happy in heaven with the love of his life and the rest of our loved ones, dancing in the sky waiting for the rest of us to join them. One of the last things my Uncle said to me in our last conversation was "Life goes on" Those are words to live by and said by a very wise man. I love you Uncle, and we will all forever miss you. Until we meet again. ❤️🙏😊
