“ To my loving Uncle and Godfather, I miss you already. You have been such a positive and wonderful influence in my life and you will always be a part of who I am. I'm so thankful for all the wonderful memories and the many lessons I have learned from you. You called me jeffer, this always made me feel so special as no one else called me that, it was ours. Now that you're in Heaven with the rest of our family that has passed before us, please give my Mom a big hug and tell her I miss and love her so much. My thoughts and prayers are sent to Lorraine and the rest of your family, it's always the hardest on the ones left behind. God has given us his love and the promise of eternal life in Heaven. I'll keep practicing on the golf game you made and one day we will play again. With all my Love, Jeffer.##imported-begin##Jeff Mueller##imported-end##
